REDESIGNED CUT

new ready-made sizes

We introduce the new cut for Woody and Ranger line of workwear. The new slightly slimmer and longer design is more anatomically shaped to allow for any motion.

Woody and Ranger work clothes are carefully designed and put together. The technical details, manufacturing process and use of the best materials don't change at all. The new cut still offers a number of multifunctional pockets, reinforced sections and reflexive elements.

ORIGINAL CUT

*The same core design
Classical, looser cut*

NEW CUT

*Narrower, more anatomic cut
Longer to better fit the height of the wearer
Longer seam allowance so the pants can be individually lengthened
The same core design*
